[shawn] work only says:

i'm also taking another film module en2113

[shawn] work only says:

which is reading film and cultural texts

((e-D-m-U-N-d we loved becos He first loved us says:

oh icic... what are your expectations before the module actually started?)

[shawn] work only says:

hmm i came in qith quite low expectations really

[shawn] work only says:

but i think the module has been fairly accurate to what i expected

[shawn] work only says:

which would be learn more about the aspects of film

[shawn] work only says:

and thats basically it haha

((e-D-m-U-N-d we loved becos He first loved us says:

because he knows how to structure a discussion

[shawn] work only says:

and not just do all the talking

((e-D-m-U-N-d we loved becos He first loved us says:  
do you think show casing video has helped you in your learning process?

Shawn\_tan\_pang\_hao@hotmail.com says:

lol ok

Shawn\_tan\_pang\_hao@hotmail.com says:

hmm yes video has definitely helped

Shawn\_tan\_pang\_hao@hotmail.com says:

i would even say its vital

Shawn\_tan\_pang\_hao@hotmail.com says:

since hes talking about certain aspects of the film

Shawn\_tan\_pang\_hao@hotmail.com says:

so in order to highlight that and inf ilm art a lot of aspects pass by us quite unconsciously

Shawn\_tan\_pang\_hao@hotmail.com says:

he does need to use video

Shawn\_tan\_pang\_hao@hotmail.com says:

and its certainly not used overextensively

((e-D-m-U-N-d we loved becos He first loved us says:

okie so that is a good point... for the lecturer

((e-D-m-U-N-d we loved becos He first loved us says:

[shawn] work only says:

hmm its quite well presented la

[shawn] work only says:

i can certainly think of many other ways in which it could be boring

[shawn] work only says:

or how it can be just a one way lecture

[shawn] work only says:

but its quite well presented le

((e-D-m-U-N-d we loved becos He first loved us says:

oh icic...

((e-D-m-U-N-d we loved becos He first loved us says:

((e-D-m-U-N-d we loved becos He first loved us says:
